Conversions At The Taxi Shop, we build everything in house using our own engineers to ensure we can quality control each conversion, every time. Unlike our competitors, we offer a 24-month conversion warranty, 12 months more than other taxi suppliers and we don't restrict this warranty with mileage limits. We have the facilities and expertise to convert your new Ford Transit into a fully wheelchair accessible vehicle or even a high-end executive passenger vehicle.

The possibilities really are endless, and our team can help you conceive a unique design, to your specification. Call us today to discuss your requirements
